Your Park

The Park rests beside the River Itchen's tidal saltwater Estuary as well as beside the old freshwater Navigation Canal. There are three Car Parks off Manor Farm Road and one large Car Park off Woodmill Lane where both sides of the Park meet.

The saltwater Estuary area has two well appointed children's play areas. A cycle training layout complete with road signs, junctions and Zebra crossing. A miniature Railway system suitable for all ages to enjoy. A Skateboard layout and a Tennis court. Football and cricket pitches. Flat well maintained footpaths with easy access.

The Navigation freshwater area has one well appointed children's play area as well as an 18 hole pitch and putt course. Flat well maintained footpaths with easy access.

Both areas have magnificent views that change with the seasons, a rich variety of wildlife including swans and ducks to feed. Very popular for family days out, safe for joggers, walkers, nature study and fishing
